I, too worked at Sheldon's for Minnie and Bennie, as did many other young girls. What a great place to start out your working career. Through example and expectation, they taught us to be responsible and hardworking employees. We also learned what it was to be a valued local and trusted business in our little town as they treated all of their customer/friends fairly and well. As a couple, they set a wonderful example of a loving couple with great respect for one another. My thoughts are with your family as you remember your wonderful parents/grandparents!

I had the pleasure of having Minnie and Bennie as my first employers when I worked at Sheldons during high school. Minnie was always kind, loving and generous with so much energy. I especially loved how she would sneak in a little kiss to Bennie during work, it warmed my heart. I was lucky to have known her and she will shine in heaven as she did here on earth like those diamonds she used to sell.

Minnie ALWAYS greeted me with a sweet smile and wanted a hug. It was nice to visit with her at spring meadows and have her sing Christmas carols with us. May the God of all comfort be with you all, Roger, Linda, Jeff, Mary, and Todd. Love and prayers, Max and Donna

As a small child, I thought she was one of the most elegantly beautiful women I had ever seen. I saw her recently, and thought she still was. My condolences to her family and friends....
