It was an honor to know such an amazing woman. You're in my heart and mind always and I will miss our talks on the phone. If there is one thin I can be proud of in my life, it was the ability to bridge the connection between you and your daughter after so many years. I was proud that I was able to bring happiness and joy and hope. May you rest in peace, my dear friend. I will miss you. Love: Tamara and family
