I have known Kenny most my life I was close friends with Denise and Jennifer. I will miss how he always had a hug for his other daughter. Growing up with him there was always something going on. The crazy life that we all led he showed me that if I just believed in myself I too could get sober. His recovery was everything to him I loved to see him always talking to a newcomer and getting the conversation started. I am going to miss you Kenny I love you RIP fly with the angels♥
