To all of Joyce's family. Joyce and I go back a long ways. She was one of the first friends that I met when We moved to St. helens. We worked across the street from each other, and often had our lunch hours together. That was in 1977. We remained friends through all these years. I like to remember the good times that we had. I know it was very hard for Joyce and her family when Ken became ill. It was hard to see them go through that trying time. Ken was a great person as was Joyce. My & Ed"s love and heartfelt condolences go out to all the family.
