I remember visiting my grandma, Aunt Bessie, and Aunt Mary, Uncle Harry and the cousins were visiting too. It was always fun to be there at the same time. I remember camping on Mt. Adams picking huckleberries with the Howard's. The last time I got to see Clifford, he was doing what he always had done at family reunions, organizing the kids doing games and activities. He was someone that loved to have fun, especially with his children. Thanks, Cliff from my brothers too! Please say hi for me.
