Raymond was a very unique friend! A memory that wouldnt quit, and at times a hilarious scence of humor. He was all about the details. He will be missed and never forgotten.

I remember Raymond from the days spent riding the school bus together, he loved to talk and laugh when he was in a small group after most of the kids had gotten off the bus. Rip my friend.

Raymond was a very shy and introverted young man in high school , but was very friendly and always nice to everyone. I'm sorry to hear of his passing. My thoughts are with his family and friends.
