I first met Ethel when her nephew Greg Allie was in kindergarten together. Butch and Ethel would give my youngest sister a ride to kindergarten. Sometimes when we missed the bus he or she would give the rest of us a ride also. Two years later we started going to the first missionary baptist church of St. Helens. I was saved at sixteen, Meyer my wonderful husband there and had so many awesome ladies ,including Ethel to show me how to be a Christian. Ethel and butch made a special effort to help consol out two beautiful daughters after we burritos our little baby boy. She bought them a book on grief a child's story. Amber still has the book. Ethel and butch I'm so glad you were there for a turn driving a child to school. I am where I am because God used you for a small thing. You are missed. Tell all our friends hi love your husband and child. Love you see you when its my time.
