Judy Hinman lit a candle in honor of Janet.

Janet loved "her" birds. Once while caring for her when she fell asleep I went outside and washed the window that she viewed the feeders from. When she woke I pointed to the cleaned window...the smile on her face and the sparkle in her eye is the wonderful memory of her that I'll carry in my heart forever. 🙏

Barbara Day lit a candle in honor of Janet.

Janet was a joy and encouragement to know. She enriched the lives of my daughter, Laura and me. I have a testimonial I wrote this morning and will present to her family. There isn't room here to speak of the accomplishments of this woman in helping the challenged folks in our community. She is truly, deeply missed. Sincerely, Barbara Day Laura Wallner
