throughout her life.

Health issues forced her to move from the houseboat and the last 3 years of her life were spent at the Thanksgiving House (a residential care facility) in St. Helens due to Parkinson's complications. Thank you to all the staff there for their love and care for Lila.

She was a member of the Church of Christ in Scappoose but in recent years here health prevented her from attending services.

At Lila's request no services will be held. The family will have a private gathering.
