David Martin Graf

Dave and I met in 1978 when we were roommates at the USCG Aviation Training Center in Elizabeth City, NC along with Brian Revheim. That started a 40 year friendship. Dave was an incredible man, very talented, very caring and very unique - a true renaissance man! More recently, my family and I would go stay a few days with Dave and Lora in Scappoose on our summer holiday. We had a great time and I'm so very happy my two young sons got to know Dave. The world was a better place with Dave Graf in it and I'm a better person for having known Dave and having him a part of my life. I will be forever grateful for his friendship. RIP my friend! I loved you like a brother!

David embraced life with more passion than anyone I've met. Whether you loved him or not (and I loved him), he had an impact on your life. He encouraged - some say forced 😊 - you to try the new, and somehow enabled you to see and experience the old in new ways. I've been reminiscing on my adventures with Dave, and find bittersweet comfort there. My heartfelt thoughts go out to his family, particularly Lora and his two sons, whom I am remiss in getting to know. I am available to share stories if or when that is wanted.
