# Homer Mascall Brock

JAN 9, 1924 - AUG 5, 2020

**H**omer and Hobert Jackson Brock were born in Irvine, Kentucky to Walter and Madge Brock. The family returned to Dayville, Oregon in 1932, where Homer graduated High School. While at Oregon State, he was called into the Navy where he earned a BSEE at University of Colorado. Following his service, he returned to Oregon State for a BS in Business Administration and later earned an MBA at University of Portland. He and Margaret Dyer married in 1954. The family included sons Ron, Ken, Steve, and Phil plus daughter Laura Jean. They were married for 66 years.

Homer was predeceased by his twin, infant daughter Laura Jean, son Ron, and brothers Bill and Dick and sister Anna Marie. Family now includes 7 grandchildren and 10 great grands.

Homer retired from Boise Cascade in St. Helens.

Lifelong interests included amateur radio (W7JLC and K7AP). Wilderness hiking and camping, skiing and mountain climbing were family activities. As past president of Mazamas, Homer became very involved with mountain climbing and several types of skiing. Travel was much enjoyed in retirement.

Mass of Christian Burial will be at 11:00 AM and the Rosary at 10:30 AM on Saturday, August 15 at St. Frederic Church, St. Helens. Anyone wishing to attend will need to call for reserved seating. Interment will follow at Columbia Memorial Gardens after the service. Please sign our online guestbook at [www.columbiafh.com](http://www.columbiafh.com)

Very sorry to hear of Homer's passing. He was such a friendly and helpful person who had wonderful Ham radio stories he loved to share. We were lucky to meet him when we first moved to Columbia County. Ed and Linda Bodenlos

Homer, K7AP was a great amateur radio friend, and will be sorely missed by the local radio community here in Columbia County, OR. His quick wit and smile always put a smile on our faces. QRT, but certainly not forgotten! (dit dit)de Mike Ritz, W7VO

I'm so sorry to hear of Homer's passing. My dad Bob Cross worked with Homer at Boise Cascade and spoke highly of him. Those engineers were smart and helped keep the mill running! I went to school with son Steve, and our families both attended St. Frederick's church. May you find peace and comfort in your memories of Homer's long life, his accomplishments, and contributions to the community.

**Kim Brock** shared a photo to the **Tribute Wall** album.

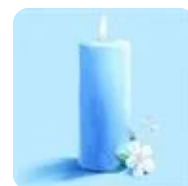

Heart broken to hear of Uncle Homers passing. He had a long life and will be missed. My thoughts are with Aunt Margaret and her family. I loved talking with him in prior years at family reunions. He will have a lot of familiar faces waiting for him in heaven. Kim Brock Family

**Matythew Reilly** posted:

My Dad Matthew D. Reilly worked for Homer Brock at the Paper mill in St. Helen's in the early 1960's. I remember dad speaking of him in the most positive way at all times. Dad always said that if it hadn't been for Homer he would never had taken the step that led him to his career as a project supervisor and plant manager. Homer not only changed my Father's life but the trajectory of my whole family. I will remember his name and influence always. Matthew J. Reilly

Thank you very much for the lovely floral arrangement. I don't have your address so I hope you see this. Margaret Brock & family.

**Diane Dillard** posted:

I worked with Homer for many years at the papermill. He was one sharp electrician/instrument technician and he shared many great stories of his adventures as a Mazama. He offered up many exciting news stories for the daily Pulp Line. Reading the obituary, I found out he was born in Dayville, Oregon, a place I first visited in 2018 and found it fascinating. My sympathy to the Brock family! Diane Dillard
