Rick was the 3rd Generation in our family to attend Deer Island School, graduating from St. Helens High School in 1981. Rick spent his childhood, outdoors, fishing, playing with friends, time on the family tree-farm and picking strawberries like every local kid growing up in that era.

Rick enlisted in the US Army in 1981 and completed basic training at Fort Leonard Wood, Missouri. Attended Defense Language Institute Foreign Language Center in Monterey CA. Rick was stationed in Panama for two years with focus on electronic warfare signal intelligence voice interceptor/translator. He was fluent in Spanish and Czechoslovakian.

When Rick got out of the military, he met his wife Shelley Wootan and married in 1992. They later divorced, but had their pride and joy, Timothy Danial Wootan, who was named after Rick's best friend Tim Gamet. Rick was in Logistic Sales and Operations where he excelled and rose to the top of this field.

JUL 22, 1963 - OCT 9, 2020

In 2003 Rick decided to get sober and never looked back. He was very proud of his sobriety and encouraged others. In 2017 Rick was diagnosed with Pulmonary Fibrosis and retired in 2019.

Over recent years, Rick started a couple of new collections including hot rods and guitars. He started off his muscle car purchases with a Dodge Magnum R/T followed by his Mustang GT. His love for music fueled his love for guitars with his pride and joy being a Fender Semi Hollow body Telecaster.

Rick loved his family and friends, and his humor will be greatly missed. He was loving and kind and enjoyed his cats Fluffy and Huey and his grand dogs Katie and Riley.

At Ricks request there will be no service. His cremains will be spread at the family tree farm in Deer Island, OR. Donations can be made to Columbia County Historical Society and Museum Association or the St. Helens Alano Club. Please sign our online guestbook at www.columbiafh.com

Please accept my condolences for the passing of Rick. He was one of my Spanish students at the Defense Language Institute quite a number of years ago, and we kept in touch via fb and telephone from time to time. I was quite saddened to learn of his death. My prayers go out to the family. Que descanses en paz amigo Rick. Eduardo A. Moos

I had the pleasure to be his supervisor while he was stationed in Panama (1985 & 86). I can proudly say that he was a great soldier, friend and person. Always looking after himself and others! I know is hard to lose a loved one but I pray that God give the family peace and strength though these hard moments, but we know that now he is in peace and happiness for eternity. God blessed you brother!

Sad to hear of Rick's passing. It was an honor to serve with him in the 80's. Our command in Panama was comprised of several branches of the military who tended to stick with their own. Notably, Rick was equally at ease working or hanging with members of all branches and was always up for an adventure. Seemed like everyone at Galeta knew Woot! A unique slice of God's work. Fair winds and following seas my brother. Ya left us a bit early, but left your mark on the world. Doug C.

Rick and I played little league baseball together and his dad was the coach. We remained all through high school. We spent some time together catching up through his illness and I will never forget the laughs and spending a day with him on the tree farm. RIP my friend, I will see you again one day.

Rick was a true individual. A character larger than life. I enjoyed his little pod casts and his signature sign off. His wit and love of family and pets was wonderful. He could complete the NYTimes sunday crossword in under an hour, astounding. He had a wealth of life experience and talent. His wood works were lovely, any of you that have one should hang onto it. Missing his posts of Huey and the man shed. Breathe well on the otherside. We have enough family there to keep you busy. Until we meet again, "Adios, mother f*#er."

Rick I am so very sad you are not here making me laugh, but I am so very happy you are no longer in pain and can take deep pain free breaths. I was so grateful you made the carpool to work so much better. We could start the day with a smile.

Rick we had great times at church camp, getting in trouble and such! I'm glad you found me on facebook. We may not have agreed on some stuff, but of course that seems so trivial now. Wish I would have had a chance to say goodbye. Will miss your smarty pants comments and messages. Will see you on the other side.
