Little John, It has been almost an entire year since you've gone to Heaven to become my and so many others' guardian angel... you are still, and will always be, greatly missed. Jacob and Josh are hanging in there... I keep them in line for ya! Kaysha had her baby that she named after you... you would be so proud of him. I love you, my little bro! ~Austa###imported-begin##Austa Comfort###imported-end##

I honor and respect John for his dedication, service, and ultimate sacrifice of his life, to serve for the safety and peace of the United States.
