Christine,I was looking through the Daily Astorian online and was suprised to see Debbie's Obituary. I'm sorry to hear that she passed away. I have been trying to find out where she has been throughout the years. Was she in bad health? How is Michael? He has to be 37 years old now. Does he have a family of his own? If you can tell me about Debbie I would appreciate it. How have you been?###imported-begin##Valorie Kuhn Sheldon##imported-end##
