Helen was a mover and a shaker. She was devoted to her historian husband, Herb. We have many good memories. She was always a step ahead ... a wonderful woman. I will miss the twinkle in her eye. Really amazed that when she was in her 80's she was learning to e-mail and became very proficient!###imported-begin###Diane Dillard###imported-end##

Helen was a wonderful Lady, not long before Herb past away she drove him down to the store here at Deer Island and he gave me a map and a story of his memories of the Deer Island area in the past years. I always loved to hear her laugh. I was really happy to hear from Julie & Mark that she was having a "FUN TIME" these last months of her life.###imported-begin###Leona Zimmer###imported-end##
