Dear Auntie Bert, Wish I could be with you and the rest of my dear family during this time. All of you will miss this special man from now on but be grateful that you got to enjoy and love him for all these years. What a blessing and honor. I will never forget all of the days I came to your house after school and how much fun it was to have others to play with until my dad got tired of coming to pick me up. Oh what good memories I have of my Auntie Bert and Uncle Russ. Thank you.Glenita##imported-begin##Glenita Guthrie##imported-end##
