Dixie, Kristie, Misty and boys, My thoughts and prayers are with you. If there is anything I can do, I am just a phone call away. Remember that Dave is no longer in pain and he is in a better place then we are. Yes, you will miss him but remember he is always around and when you need to you can still talk to him. Always keep the memories alive because I know there are many. Right now it is hard to believe but time does heal. God Bless all of you!!!!##imported-begin##Terri Coddington##imported-end##

Dave, what can I say except that it was an honor to have known you. You were a very special person and one of the best bosses I have ever had. I wish I would have kept in touch but it just seems that people's lives just get too busy and they lose touch with the people they really care about. I always considered you and Dixie really good friends even though we didn't see each other. I know that you are in a better place and are in no pain. I can never thank you enough for the support you and Dixie gave me when I needed it and I will be here to support Dixie in every way I can. I will never forget you. Rest in Peace Dave, you deserve it.##imported-begin##Terri Coddington##imported-end##
