Dear Wendy & Krissy, I am at a loss for words because there are none! I can say I feel your pain in the deepest sense. This will be a long journey for your tears to turn to laughter. I even believe it could take an eternity. You both were so close with your mom, as I was with mine... It is a significant loss in your life and I am here for you anytime. All my love, thoughts & prayers to you. Dear Kenny, I am so sorry. I didn't even know that anything was serious. I am so upset that I haven't talked to her lately. But, I was so glad that you both found your way back together after everything you've been thru together. You and the girls need to lean on each other. Love, thoughts and many prayers your way!
