I love you, Mamma, and miss you every day. Thank you for your love, your strength, your humor. I think of you constantly and know that you have never left us; and that you are with your sisters and your Mom and Maxine Matz and Clifford and happy and independent again. If only I had told you more what an inspiration of a woman and mother you are to me. Thank you for being you!! Loving You Forever, Jenny###imported-begin##Jenny McKee###imported-end##
