Dear Joann and family, We just wanted you to know that we are thinking about you during this sad time, and also tell you how much we enjoyed knowing your Mom and grandmother for a number of years through the pharmacy. She was always so pleasant and had such a lovely smile. We know that she did a lot for the Senior Center and will be terribly missed by not only family, but many, many friends. We send our sympathy and friendship and know that happy memories will be sustaining. Darrel and Helen Purkerson###imported-begin##Helen Purkerson###imported-end##
