Marylou Brissett

JUN 10, 1934 - MAY 15, 2010

Marylou "LOU" Brissett passed away on May 15, 2010 in Scappoose after a hard fought battle with cancer. She was 75.

Born in Bloomington, Illinois, June 10, 1934 to James and Mary E. Patrick Couch. She was then raised in Walnut Creek, California, where she attended school and married in her senior year. Married life took her to live in Pennsylvania, New Jersey, Nevada and finally to Oregon. She moved from Portland to Scappoose 35+ years ago and became a friend to many in this town. You may remember her working in the Cinnamon tree or cooking until she retired at Carol's Place.

She loved joining friends for coffee at Ichabods, a little gambling at Lung Fungs or Spirit Mountain, and shopping 2nd hand stores and garage sales, mostly she loved and was very proud of her family!

She was preceded in death by her husband, "Big" Jim Brissett and is survived by her four children; Janie Fontenot of Scappoose, Russell Willhite of Portland, Robin Willhite Barnum of Beaverton and Shawn Wood of Portland. Grandmother to eight and great-grandmother to four that live in Scappoose, Portland, Flagstaff, AZ and Millville, NJ.

Please donate in her memory to the Scappoose Senior Center "Meals on Wheels" program from which she received wonderful food and caring company from many a volunteer.

We Love you MOM!!

My deepest Condolences to the family.I was shocked to hear of Lou's passing.And was unaware of this web page.Seems like a few days ago I was having dinner out with my husband when I ran into Lou.I informed her she was to call me Mrs Brissett as I married in to her family.We laughed so hard.Who would have see that coming? And how strange life is.And that's what I will always remember is her humor laughing and smiling.Robin I hope you know how proud of you your mother was?! know cause she always said that.I am sorry this has taken so long to get to you.May you have peace in knowing that she touched many people and will always be loved.PaulaLongBrissett##imported-begin##PaulaLongBrissett##imported-end##
