I remember Mrs. Uttich when I would visit my friend Kathy. Mr. and Mrs. Uttich were always so nice. My mother would look around to see if Mrs. Uttich was working at the store and ALWAYS waited in her line to check out so they could "catch up" on what was going on in Port Orchard. I remember so many people would always wait in Mrs. Uttich line because she was so kind, good hearted, my mother would patiently wait and pick up a magazine and not make eye contact with the other checkers when they would try and coax my mom into their line. She always wanted to talk to Morrie. Those are my fond memories of a wonderfully beautiful lady. I'm sorry for your loss

Mom was such a very special lady, she was unique, beautiful, sweet, kind with such a loving heart. Her loss was such a surprise to all of us, for happening so soon. She missed and loved Dad so very much, she would talk to him everyday, telling him how much she loved and missed him and how much she wanted to join him. She was torn between her Love for him and for her family. She is happy now and in no more pain. We Love you so very Much, you will be Missed and in our Hearts everyday. Love You Forever, Joe & Kathy###imported-begin##Joe & Kathy Mayesky###imported-end##
