A hug to you all for the sorrow you are feeling. Your father and husband will be deeply missed. I know he is resting in peace and I hope that your hearts can find peace as well. I wish I could make the Saturday open house but I am sick with a terrible cold/flu thing. Please know that our family is here for you with whatever you need. Please call us if Kay is in need of anything we can help with. We all are glad to lend a hand at any time.
