Una. My heart goes out to you!! Having been where you are, I can only tell you that the death of your child CAN be survived, as I have survived losing both Dan and Ed. Any support I might be able to be to you is yours. I am still at the same Scappoose location; please feel free to call or come by at any time. I am SO grateful that I was able to reconnect with Eddie in his adulthood, albeit briefly. What a beautiful, loving man you raised!###imported-begin###Carol Waterman###imported-end##

My beloved son,Words alone can't express the love I have for you. My heart aches and my soul is empty. I can only trust that you are with dad right now; he will lead the way for you. You gave me over 20 of the most amazing years any mother could ask for. I can't stop thinking about how much I love you and so sad I couldn't do anything to prevent this. I haven't had the heart to tell Emilee yet as I know the pain she will feel. There will NEVER be a single day that goes by that I won't think of you. I will be there soon enough to hold you again.I love you so much my son.###imported-begin###Una Wiley###imported-end##
