I also knew Loraine from the Sjogren's support group though I was the relatively new kid on the block. What gracious Southern charm she had. As Sandra said she never drew attention to herself but listened to and supported the rest of us. She will be missed. May time heal your hearts and only the good memories replay themselves.##imported-begin##Debbe Sabin##imported-end##

To Lorain's family. I know that you will miss her very much. She was a kind and gentle lady. She never said that she had a Doctorate or told about her many travels and accomplishments. She just shared her love for others in the Sjogren's support group without bringing attention to herself. We will miss her. So thankful that God graced us with her friendship these last few years. God bless you and give you comfort.##imported-begin##Sandra Sykes##imported-end##

I had the "gift" of meeting Loraine through the Sjogrens Support group that met in the Portland area. Loraine had KINDLY made arrangements for the recent meetings to be held in the beautiful guest room of Holladay Park Plaza, where she resided. Loraine had such a striking grace about her, providing knowledge, wisdom, humor, & hope to our members. Quite amazing, even when she was going through her own health issues. She leaves a lasting imprint on our souls. In your honor Loraine, we will "Pay it Forward."Our sincere condolences to you, her family.##imported-begin##Linda Shields##imported-end##

There are people we encounter throughout our lives that we never forget Lorraine Rae was one of those individuals. I knew her when she lived at the Chester Inn in Jonesborough. She was always kind and accepting of me - a poor boy often overlooked by others. I thank her for the memories.##imported-begin##Gale Gray##imported-end##

Loraine volunteered at the animal shelter in Johnson City for a long time and I enjoyed being around her so much. She was a great lady and we all loved hearing about all her travels. All the gifts she brought back from her many trips are all over my house and remind me of her, thank you Loraine. I will miss you.##imported-begin##Joy Sexton##imported-end##

Dear Family, Loraine was my patient Dr. Lurie's office and I thought so much of her. She was a precious lady and I have missed her so much. There are some patients that you never forget and she is one of those. Such a special lady and friend. I still have all the collectibles that she brought to me from her many travels. I know that you will miss her deeply. May God's peace and grace help you through the days ahead.##imported-begin##Judy Slemp##imported-end##

We lived next door to Lorraine in the Woodstone Condominiums during the 1990's. We always enjoyed Lorraine's uplifting spirit and broad-ranging interests. She was a delight to know. We moved to another location in JC in 2000, but she visited with us at our 2nd home on Watauga Lake and attended our daughter Alison's wedding in 2001. We had sporadic contact after she moved to Portland. We know that she loved and enjoyed her son, daughter-in-law, and grandsons Andrew and Kienan. She was a great lady.##imported-begin##Bo & Louise Woodhall##imported-end##
