My "Sandy Claws" loved her life on the Oregon coast after moving away from Warren. She remains a favorite auntie. Her children are living examples of her values, her love of life and her sharing character. She will be missed.##imported-begin##Patricia Kallberg Elliott##imported-end##

Cora was a wonderful aunt. As children we spent many happy days at her house in Warren playing in the old cars or creating art projects on the kitchen table. I'll always think of her when I serve our most requested lunch... tomato soup and grilled cheese sandwiches.##imported-begin##Joan Johnson##imported-end##
