Adam Joseph Sallee

JUN 6, 2010 - JAN 28, 2012

Adam Joseph Sallee died peacefully in his mother's arms on January 28, 2012 at Seattle's Children's Hospital. He was only 19 months old.

This special little boy came into this world on June 6, 2010 at OHSU in Portland. He was beautiful, but his tiny little heart had a defect called Hypo-Plastic Left Heart Syndrome. He received a first class helicopter ride up to Seattle's Children's Hospital where he was cared for and genuinely loved by all the doctors, nurses and other hospital staff. His parents, Jason and Casey Varner Sallee, and his big sister, Ella, stayed at the Ronald McDonald House in Seattle to be near their son.

The family's wish came true a couple of months ago, when Adam received his heart transplant. Adam grew stronger, his blue eyes twinkled, and he entertained everyone with his goofy laugh. Unfortunately, for reasons, that probably only God knows, he developed an infection and was taken to heaven.

Adam is survived by his Parents, Jason and Casey and Sister, Ella of St. Helens; Paternal Grandparents, Caleo and Sandy Sallee; Maternal Grandparents, Sam and Sheila Varner; Aunts and Uncles, Samantha Varner, Heather Varner, Mike Varner, and Michael & Joyce Sallee; Great Grandparents on both sides of the family, and lots of Cousins.

A Memorial Service will be held on February 10, 2012 at 11:00 AM at Columbia Funeral Home in St. Helens. Please bring a NEW children's toy to donate in Adam's Memory to the Seattle Children's Hospital where he lived most of his life.

A little prince has gone to heaven to be with God. I have prayed for him many times and now his fight is over and he is with the angels. May God bless his family and give them the strength to heal from their tragic loss. They will miss his smile, as will all that knew him. Take comfort in the fact that he is no longer in any pain and you will see him again in heaven. God bless his family.##imported-begin##Barbara Fintor##imported-end##

"Daddy please don't look so sad, momma please don't cry. Cause I'm in the arms of Jesus, and he sings me lullabies. Please try not to question God, don't think he is unkind. Don't think he sent me to you and then changed his mind. You see I'm a special child, I am needed up above. I'm the special gift you gave Him, a product of your love. I'll always be there with you, so watch the sky at night. Look for the brightest star and know that's my halo's brilliant light. You'll see me in the morning frost that mists your window pane. That's me in the summer showers, I'll be dancing in the rain. When you feel a gentle breeze from a gentle wind that blows. Know that it's me planting a kiss upon your nose. When you see a child playing and your heart feels a tug, Don't be sad mommy, that's just me giving your heart a hug. So daddy don't looks so sad and momma please don't cry. I'm in the arms of Jesus and he sings me lullabies! ~Unknown##imported-begin##Brenda Gates##imported-end##

I am very sorry that you lost your son Adam. I don't know how it feels to lose a child. Although I have identical twin boys they are only 19 months old. I wouldn't know what I would do if I lost them. Although you lost your son and the way you have handled it shows that you are a strong woman. Remember this my mother has always told me " God only gives you what he knows you can handle and his only wish is to make you stronger for a bigger purpose". Well I wish you the best of luck in getting everything taken care of I wish I could help you through this difficult time but I am not able to at this time.##imported-begin##Stephanie Ellsworth##imported-end##
