To the Lufkin family, our heartfelt thoughts of sympathy. With the news of Wayne's passing brought back a flood of long memories. From meeting Wayne in 2nd grade, to playing on the same baseball teams, to slumber parties at Ted and Trudy's home, to graduation in 1985. I am forever enriched by knowing Wayne and the good human being he was.##imported-begin##Kory and Shari Beickel##imported-end##

I didn't know Wayne as well as I would have liked. A year ago we became family when my son Dan and his daughter Jessica were married. Our friendship had only just begun. I think it would have been great fun to be a Grandpa with him when that time comes. He had a million stories to tell and with him there was never a dull moment. He was just an all around nice guy who loved his family more than anything. He will be missed...##imported-begin##Tony Rockdaschel##imported-end##
