To the Sucik and Cullens Families, Our thoughts and prayers are with you during this difficult time. Jerrye was a very special lady and she will be missed. Although our staff only knew Jerrye for a year, she made an impact on those of us who had the opportunity to meet her. Her shy smile and gentle way will live on in our memories.##imported-begin##Sasha Tinning, Community Relations Director Rose Valley Assisted Living##imported-end##

One of my favorite memories is weekends with Nada and Jerrye checking out yard sales and going to the indoor swap meet looking for Marilyn Monroe pictures and snacking on hot pretzels. I remember when I was learning how to drive and scared the crap out of her when she let me drive El Camino. Jerrye was a second mom to me, she was loving, patient, kind and understanding and she will be greatly missed by everyone whose life she touched. Love You Jerrye Chrissy##imported-begin##Christina ##imported-end##
