Evelyn Luella Bartlett

January 16, 1925 ~ May 3, 2017

Evelyn was born in St. Helens, Oregon to Hugh and Nina (Crouse) DuBois. She spent her entire life in the St. Helens area. She worked at many different restaurants until going into business for herself. Evelyn then built and operated the Warren Country Inn.

During that time, she employed many long-term employees, while also offering hundreds of young people their first job opportunity. She truly loved her work and her employees and was never quite the same when she retired in 1998. After retirement, she enjoyed spending time relaxing on her patio, gardening and the company of her many beloved and pampered pets.

She was preceded in death by brothers Frank and Charlie, sister Madeline, husband Pete Bartlett and son Gary Rauch.

Evelyn is survived by her sister Lucille, daughters Sandra Bullis and Jeannie Schenk and son Russ Bartlett. Also 9 grandchildren and 3 great grandchildren. She will be greatly missed.

“ What a great honor to have Evelyn in my life, she was a very kind, and savvy restaurateur! I reference Evelyn’s culinary skills, and entrepreneurial abilities, many times to those that are working to find the success that Evelyn produced in the hospitality industry. I feel very blessed to have had Evelyn in my life as a mentor, and always valued our Friendship. I always looked forward to my weekly visits to the Warren Country Inn, and felt proud to be able to work with such an inspirational pioneer that Evelyn was. Her devotion to her Customers, and the Warren Country Inn were second to none! Bartlett Family, I’m sorry for your loss, Evelyn left an everlasting impression on many, she will be greatly missed.

“ Sandy and family, so very sorry for the loss of your mother. One of my first memories when Bill and I moved here was going to the Warren Country Inn. The food was great and the pies were soo yummy! Your mother was always so gracious and a class act. Bill and Diana Trapnell

“ I'm so sorry for your loss. I worked at the Warren Drive In for several years while putting myself through college. I usually had a text book out on the counter during a break, and Evelyn would walk by and throw a quiz question at me. She encouraged me to study hard and work hard. I will miss you, Evelyn.

“ Evelyn was one of my first employers at the Warren Drive Inn. And she was the best! In 1972 she hired me as a back up cook and I loved every minute of it in. On Sundays, after an especially busy day we would find \$10 or \$20 dollars in our coat pockets, which was a lot of money in those days! After returning to college in 1989 she hired me again during the summer for two years at the Warren Country Inn. She was very special and gave everyone a chance. My sincere condolences to Sandy, Jeannie, Russ and their families. Patty Cvetich Rismoen

“ I am heartbroken. She was always full of smiles back at the restaurant. I remember being a little girl and going to the old drive inn. My mom worked for her for years. I remember delivering vegis from our garden to the warren country inn in 5 gallon buckets lol. She was a big part of my life and a big part in our area. She will be missed

“ Evelyn was always one of my favorite ladies. I learned so much from her common sense attitude , and loved her delightful sardonic sense of humor. Sending loving thoughts to you, her family. Fond memories of Lynn and Craig.

“ I'll never forget Evelyn. She created the best and tastiest dining experience around beginning with the "mini" Warren Country Inn and then moving into the big new restaurant on the hill in the 80's. Evelyn could make the best pies, bread pudding and custard ever! She is part of our heritage and I'm so glad I got to know and love her as a member of the family....

God bless you Evelyn - your memory lives on in my heart.

“ I worked for Evelyn at the Warren Country Inn she was the most giving, loving person, an absolute wonderful woman. Her main concern was that people in the area had a nice family restaurant that was affordable to go to with homemade food, her pies were the greatest. I can't tell you how much respect I have for this woman, she was an angel here on earth.
