“ Aunt Helen was the best, there are only good memories! From when I was little and we would go and stay with Aunt Helen and Uncle Ronnie... Running through the house, and land (I don't know how big the land was, but as a child it was endless) tacos, baseball games, swimming. Aunt Helen was always comfortable to be with ... you could sit quietly next to her, tell her anything, or listen to her stories. And as an adult with kids, she would listen, help out, and share experiences that she had. Aunt Helen, you are loved and will be missed here on earth!
till we meet again,
Terri
