She enjoyed traveling on the motorcycle or in the motor home with her family and being outside working on numerous projects. After retiring from the Oregon Food Bank, she enjoyed the extra time with her granddaughter and husband. Kathy was predeceased by her husband Michael Johnson and is survived by daughter Heather (Dennis) Viereck; granddaughter Isabelle (Antonio) Viereck; sister Delores VanLaer; and many nieces, nephews, cousins and friends. A celebration of her life will be determined at a later date.

“ I was Kathy's sidekick for many years. We did eat together almost every morning at Ickabods. We had many adventures together. She was an excellent horseman so we did go riding. She also would stop over and take me for a motorcycle ride occasionally. She was always Animals come first and people come last. We met because I had to know who drove the car with special plate K9 C8 for K-9 Crate. with almost 10 dogs in the back. She would buy people meals regularly, some she knew and some she didn't. Anyone who boarded her dogs with her didn't have to worry because they would have the best of care at a reasonable price. She would always have some type of rodent, raccoon or bird she was taking care of. I loved Kathy very much and will miss her very much. But I know she is with Mike and lots of animals. Terri
