“ Grandma Laverne was a caring and loving woman. She never forgot a birthday and continued to send me cards on every single one (I'm 34!) She prayed for me throughout all of the challenges life threw at me and celebrated with all of my successes! She will be missed but I know she is closer to me now than she was in life. Rest in Peace, Grandma Laverne.
Love, Kiramey

“ There are so many happy memories, but this stands out for me

Having a lunch waiting for me when I came home from Dental School each day...sharing my day with Grandma Laverne, Aunt Millie, and Great Grandma Lydia..we also would watch episodes of "Little House on the Prairie" and drink hot chocolate on Monday nights, it was our girls time together

She was a wonderful, loving and caring Grandmother, always expressing her kindness and love, she knew my brother, sister and I and always, always supported us. She knew the depths of our hearts and our heartaches as well

She made sure we felt loved and secure through life's storms

I was very blessed to have her in my life, she will be dearly missed

“ I will truly miss our phone calls, to each other. And her beautiful smile, she taught me so many thing in my precious moments with her. Her support of me and my family, as she watched my GRANDDAUGHTER grow up. Her concern for me when I was sick. But mostly I will miss her love. Such a beautiful angel.

“ This memory is of our dearest Grandma Laverne. She was an incredible woman with so much strength, depth and compassion. She was always sensitive to her loved ones and their needs. You didn't have to say anything and she would know if you weren't okay. There are so many examples of her love to share but there is not enough space to do so. One example of her strength was during a family crisis involving the passing of our mother in a terrible motor vehicle accident in which her granddaughter was severely injured and in a coma. Grandma Laverne stayed at her side night and day, and in her recovery Grandma Laverne taught her granddaughter to speak and resume a normal life. It didn't matter what you needed, Grandma

Laverne was always there. In this time of grief, I hope the wonderful memories of Grandma Laverne will comfort all hearts in need. She will forever be remembered and loved. We were blessed to have her in our lives and know that she is in heaven watching over us all. With much love, Her grandson Mitch, Tascha, and great granddaughters, Nichole, and Courtney Spears.
