

Marian R. Calnon

January 26, 1922 - March 21, 2021

Marian Calnon passed away on March 21, 2021.

Marian was born in a farmhouse in Illinois and had four older brothers. She graduated from college with a bachelor's degree, and then moved to Portland Oregon. She started working as a secretary for Tektronix, where she met her husband Don. Together, they bought a small farm on Farmington Road in Beaverton and had three children. In 1968, Marian and Don bought 20 acres and built a home on the eastern slope of Cooper Mountain, a few miles south of Beaverton. In addition to raising sheep, cattle, chickens and a rabbit on their farm, Marian and Don were active boaters, and kept a 42-foot Chris Craft at Rose City Yacht Club. In 1976, Marian and Don purchased a marina and fuel dock in Saint Helens and began a new life as small business owners. Don passed away a few years after they purchased the marina, and Marian continued to participate in running the business until she retired in 1996. She was known for her generous nature, and for caring about her marina patrons as if they were family. Marian was preceded in death by her husband Don, and is survived by her three children Diana, James and Richard; and four grandchildren, Rich, Becci, Haley, and Kirsten.
