Comments

“ We know the saying, "it takes a village to raise a child". Pat Hughson made Clatskanie a "better" village. Lucky for us our families blended in the 70's and even though we moved elsewhere our friendship remained strong. Pat taught me the value of family, friends and volunteer work; by her example. Also to have fun. At least we have the memories to share with Richard, Lesley, Chris and families.

“ Pat was an amazing person and very influential in my early childhood. How fortunate for me to be that little neighborhood girl across the street who got to play with Lesley and Chris, have Richard help teach me how to ride a bike and spend many evenings at Pat's dinner table. She even helped me learn that eating liver for dinner is not so bad after all. I am glad I got to spend the evening with you last spring while you were on your road trip through Texas. That is just one of the many memories I will cherish for life.

My thoughts are with you.

“ I met Pat when she would come up to the Amber Assisted living and visit her friend Irene. She was such a caring and loving lady. And was also a little spit fire if so needed when it came to her friend.. That's what i loved the most about her! I'm sorry for your loss my thoughts and prayers are with you all. She will be dearly missed.
