“ We first met Scottie in Tacoma, Washington where he was a field organizer for a statewide poverty action group. UFCW 81(Meatcutters) eventually hired Scottie as an organizer and thus the beginning of his distinguished career working for the UFCW in Seattle. Portland, Chicago, and eventually the International Union. Scottie was a friend and brother throughout this career,. He was a great champion for working people and their needs.. Our deepest condolences to Micke, family and friends
